

General reference list

Stephen Platt and Felicity Nicholls, Wildlife Branch

December 1998

LW0001

ISSN 1440-2106

The following list contains selected references in property management and on the name, distribution, and biology of Victorian plants and animals. There are many more references to which you could refer. The list grows yearly. Ask at your local library for assistance in finding these references and for new related titles. We have also added some internet sites. For clarity, each reference shown below has the following format: title, author, date of publication, publisher.

Distribution and identification

Software

Victorian Flora Database on CD Rom and Victorian Butterfly Database on CD ROM

Produced by Viridans Biological Databases.

Available from Outdoors Information Centre, NRE, Tel: (03) 9412 4011 or Viridans (03) 9596 8592.

Maps and lists

Atlas of Victorian Wildlife/Flora

Information System/Wetlands database

Arthur Rylah Institute, Department of Natural Resources and Environment, 123 Brown Street, Heidelberg, 3084.
Tel: (03) 9450 8600.

Lists or maps available on request.

Mammals (including bats)

Mammals of Victoria: Distribution, Ecology and Management

Menkhorst, P.W. (1995), Oxford University Press, Melbourne.

The Mammals of Australia

Strahan, R. (ed.) (1995). Reed Books, Chatswood

Tracks, Scats and Other Traces: A Field Guide to Australian Mammals

Trigg, B., (1996). Oxford University Press.

A very useful guide to the identification of mammals from the tracks they leave behind. Colour sketches.

Bats of Eastern Australia

Hall, L.S. and Richards, G.C. (1979), Queensland Museum Booklet No. 12.

The Rodents of Australia

Watts, C.H.S. and Aslin, H.J. (1981), Angus and Robertson: Australia.

Fauna of Australia. Vol. 1B

Dyne, G.R. and Walton, D.W. (eds.) (1988). Australian Government. Publishing Service, Canberra.

Excellent pictorial key.

Australian Natural History Series, University of NSW Press:

Triggs, B. (1996); The Wombat.

Lee, A. & Martin, R. (1996); The Koala.

Mansergh, I. & Broome, L. (1994); The Mountain Pygmy Possum

Grant, T. (1995); The Platypus.

Augee, M. & Gooden, B. (1993); Echidnas of Australia and New Guinea

Stahel, C. & Gales, R. (1991); Little Penguin, Fairy Penguins in Australia

Dawson, T.J. (1995); Kangaroos, Biology of the largest Marsupials.

Reilly, P. (1988); The Lyrebird, A Natural History.

King, D. & Green, B. (1993).Goanna, The Biology of the Varanid Lizards

Birds

Field Guides

by Simpson, K. and Day, N.; Slater, P. et al.; Pizzey, G.

All are excellent for the identification of Victorian birds.

Readers Digest Complete Book of Australian Birds

Schodde, R. and Tidemann, S.C. (eds.) (1986), 2nd edition. Readers Digest Services: Sydney.

Atlas of Victorian Birds

Emison, W.B., Beardsell, C.M., Norman, F.I., Loyn, R.H. and Bennett, S.C. (1987), Department of Conservation, Forests and Lands, Victoria and Royal Australasian Ornithologists Union : Melbourne.

Simple, brief summary of the biology of each species in Victoria; distribution maps.

The Atlas of Australian Birds

Blakers, M., Davies, S.J.J.F. and Reilly, P.N. (1984), Melbourne University Press: Melbourne.

Useful summary of general biology, and an introduction to scientific literature; distribution maps.

Ecology of Birds, an Australian Perspective

Ford, H., (1989), Surrey Beatty & Sons, Chipping Norton.

Shorebirds in Australia

Lane, B.A. and Davies, J.N. (1987), Nelson, Melbourne.

Australian Waterbirds: a Field Guide

Kingsford, R. (1994), Kangaroo Press.

Waterfowl in Australia

Frith, H.J. (1982), Angus and Robertson, Sydney.

Reptiles & Amphibians

Reptiles and Amphibians of Australia

Cogger, H.G. (1986), 4th edn. Read, Sydney.

General distribution maps, simple account of biology.

The Snakes of Victoria

Coventry, A.J. and Robertson, P. (1991), Department of Conservation and Environment and Museum of Victoria, Melbourne.

Australia's Reptiles

Wilson, S.K. and Knowles, D.G. (1988), Collins Australia.

Frogwatch Field Guide to Victorian Frogs

Hero, J-M., Littlejohn, M. and Marantelli, G. (1991), Department of Conservation and Environment, Melbourne.

Frogwatch Tape of frog calls also available.

Australian Frogs, a Natural History

Tyler, M.J. (1994), Reed, Sydney.

A Field Guide to Australian Frogs

Barker, J., Grigg, G.C. & Tyler, M.J. (1995), Surrey Beatty & Sons.

Fish

A Guide to the Freshwater Fish of Victoria

Cadwallader, P.L. & Backhouse, G.N. (1983), Victorian Government Printing Office.

An excellent guide to the species, their habitat requirements and distribution. Colour photographs.

Biological Information for Management of Native Freshwater Fish in Victoria

Koehn, J.D. & O'Connor, W.G. (1990), Department of Conservation and Environment, Victoria.

Distribution maps, life history, habitat and management requirements, reference list, colour photos

Australian Freshwater Fishes

Merrick, J.R. & Schmida, G.E. (1984). School of Biological Sciences, Macquarie University.

Information on habitat changes, fish management, and biology of freshwater fish. Australia wide coverage. Colour photographs.

Freshwater Fishes of South-eastern Australia (New

South Wales, Victoria and Tasmania)

McDowall, R.M. (ed) (1980), A.H. & A.W. Reed Pty Ltd. Descriptions, distribution and natural history. Colour photographs.

Invertebrates

General

Name that Insect: A Guide to the Insects of South-eastern Australia

New, T.R., (1996), Oxford University Press.

Worms to Wasps

Harvey, M.S. and Yen, A.L. (1989), Oxford Uni Press: Melbourne.

Excellent aid to general identification with notes on biology, ecology.

A Field Guide to Australian Butterflies

Fisher, R. (1995), Surrey Beatty & Sons.

A Field Guide to Insects in Australia

Zborowski, P. and Storey, R. (1995), Reed, Chatswood.

Butterflies of Australia, A Field Guide

Flying Colours. Common Caterpillars, Butterflies and Moths of South-eastern Australia

Coupar, P. & R. (1992), NSW University Press.

The Silken Web - a Natural History of Spiders

Simon-Brunet, B. (1994), Reed, NSW.

Spiderwatch - a Guide to Australian Spiders

Brunet, B. (1996), Reed, Melbourne.

Freshwater invertebrates

Australian Freshwater Life, The Invertebrates of Australian Inland Waters

Williams, W.D. (1980), MacMillan.

Written for the student. Keys, biology and sketches of the various freshwater invertebrates.

Life in Inland Waters

Williams, W.D. (1983), Blackwell Scientific Publications.

Covers all types of life found inhabiting water bodies throughout Australia. Written for the serious student. Chapter on human's impact.

Identification and distribution of plants

Field guides

Native Trees and Shrubs of South-Eastern Australia

Costermans, L. (1983), (2nd edn). Rigby Publishers.

An excellent guide to most of the larger native plants in Victoria with colour photographs and a brief introduction to their ecology. Particularly useful for those with little background knowledge of plants and how they associate into communities.

Easy to use.

Plants of Western New South Wales

Cunningham, G.M. et al. (1981), Soil Conservation Service and Government Printing Office of New South Wales.

For plants of the Northern Plains, Mallee and Western Volcanic Plains (ie most flat areas in Victoria) this will be a useful guide to the name of virtually all species. Each species photographed.

LCC Reports

Land Conservation Council, Victoria. Reports on each area of the State of Victoria. Available from Information Victoria, 318 Little Bourke Street, Melbourne.

Maps showing land use, the location of remnant flora, description of the plants occurring in the area. Useful for locating potential seed sources of local native plants and for a description of the local plant communities.

Nothing on how to manage the community. Public land only.

Field Guide to the Flowers and Plants of Victoria

Willis, J.H. et al. (1975), Reed.

Ecologically based picture book with a selected sample of plants found in various Victorian environments. Useful as a means of becoming familiar with the range and association of plants. Victorian species.

A Field Guide to Victoria's Native

Grasslands

Scarlett, N.H., Wallbrink, S.J. & McDougall, K. (1992), National Trust of Australia, Victoria.

Grasses of New South Wales

Wheeler, D.J.B. et al. (1982), Univ. of New England, Armidale.

Keys, descriptions, line drawings. Presented in a way that is helpful to learners.

The Grasses, particularly those of Victoria, Australia

Duigan, S.L. (1987, Botany School, Univ. of Melbourne.

Australian Grasses Vol. 3

Burbidge, N.T. (1970), Angus and Robertson. Black and white sketches with description of species.

Native Grasses Identification Handbook for Temperate Australia

Mitchell, M. (1996), Agmedia.

A Field Guide to Victorian Wattles

Rogers, F.J.C. (1995). Latrobe University Press.

Beach Plants of South-eastern Australia

Carolin, R. & Clarke, P. (1991), Sainty & Associates.

The Orchids of Victoria

Backhouse, G. & Jeanes, J. (1995) Melbourne University Press.

Field Guide to the Orchids of NSW and Victoria

Bishop, T. (1996), University of NSW Press.

Aquatic Plants of Australia

Aston, H. (1973), John Sands Keys, black and white sketches, distribution maps.

A Field Guide to the Fungi of South-eastern Australia

MacDonald, R. and Westerman, J. (1979), Nelson.

Colour photo of each species, informative descriptions.

Ferns and Allied Plants of Victoria, Tasmania and South Australia

Duncan, B.D. & Isaac, G. (1986), Melbourne University Press.

Keys to species, mainly B & W photos and sketches.

Southern Australian Liverworts

Scott, G.A.M. (1985), AGPS.

Name that Flower, the Identification of Flowering Plants

Clarke, I. & Lee, H. (1987), Melbourne University Press.

Flora of Victoria

Only for the serious plant identifier.

Regional guides

Greening What Where: An Environmental Resource

Directory for the Port Phillip and Westernport Region

2nd edition, Greening Australia (Victoria).

Lists guides for the area covered.

The Distribution and Conservation of Vascular Plants in Victoria

Beaulehole, A.C. (1981), Alpine, Ballarat, Corangamite - Otway, East Gippsland, Gippsland Lakes Hinterland, Melbourne, Murray Valley, North Central, South Gippsland, South West and Wimmera.

Ferns and Fern Allies of the Upper Yarra Valley and Dandenong Ranges

Gullen, P. & Walsh, N. (1986), Conservation, Forests and Lands.

Flora of Melbourne: A Guide to the Indigenous Plants of the Greater Melbourne Area

Society for Growing Australian Plants - Maroondah (1992, Highland House, Melbourne.

Lists plants native to the Melbourne area.

Floristic Vegetation Map of the Melbourne Area

Cheal, D. et al. (1990), Department of Conservation and Environment.

Wildflowers of Bendigo

Bendigo Field Naturalists Club (1988). Bendigo FNC.

A Field Guide to the Grampians Flora

Elliot, R. & Blake, T. (1984), Algona.

Guide to Plants of the Little Desert and Mt Arapiles Area

Rogers, F. (1988),

The Mallee in Flower

McCann, I.R. (1989), Victorian National Parks Association.

Native Plants of the Macedon Range - A Field Guide

Davis, A. & Kemp, B. (1984), Dominion Press - Hedges and Bell.

Plant Identikit

Elliot, R. & Blake, T. (1984), Pioneer.

Pocket guides to Wilson's Promontory, The Otway Ranges, Sherbrooke Forest and the Dandenongs, the Grampians.

A Walk Through Black Hill Reserve: Flora and Fauna of Central Victoria

Prictor, L. (1988), Friends of Black Hill.

Mount Evelyn's Original Garden: Plants of the Northern Dandenongs

Edwards, J. et al. (1988), MEEPPA

Peninsula Plants. A Field Guide to Indigenous Plants of the Mornington Peninsula Suitable for Cultivation

Strickland, K. & P. (1995), Kareelah Nursery.

Peninsula Plants, Volume 2. A Field Guide to**Indigenous Plants of the Mornington Peninsula with Notes on cultivation**

Strickland, K. & P. (1994), Kareelah Nursery.

The Forgotten Forest. A Field Guide to Victoria's Box and Ironbark Country

Victorian National Parks Association (1994),

The Coast and Hinterland in Flower

McCann, I.R. (1992), Victorian National Parks Association.

Field Guide to plants found along the coast of Victoria as well as south of the Princes Highway

Plants of Melbourne's Western Plains, A Gardeners Guide to the Original Flora

Society for Growing Australian Plants (1995),

Plant uses

Costermans (page 2) has comments on the uses of timber for some species of native plants, especially eucalypts.

Useful Wild Plants in Australia

Cribb, A.B. & J.W. (1982), Collins.

WildLime: Cooking from the Bushfood Garden

Robins, J. (1996), Allen and Unwin.

120 bushfood recipes with notes on cultivation, harvesting and cooking, suppliers and nurseries.

Koorie Plants, Koorie People:**Traditional Aboriginal Food, Fibre and Healing Plants of Victoria**

Zola, N. and Gott, B. (1992), Koori Heritage Trust, Melbourne.

Flora of Victoria (Vol. 1: Introduction) 'Use of Victorian plants by Koories'

Gott, B. (1993),.

Weeds**Noxious Weeds of Victoria**

Parsons, W.T. (1976), Inkata.

A Field Guide to the Weeds in Australia

Lamp, C. & Collett, F. (1989), Inkata.

Weeds

Auld, B. & Medd, R. (1986), Inkata.

Environmental Weed Resource Directory

NRE. (1996), Information on contacts, weed books, booklets, legislation, strategies, policies, guidelines, slides and much more.

Environmental Weed Invasions in Victoria: Conservation & Management

Carr, G.W., Yugovic, J.V. & Robinson, K.E. (1992). DCE.

Examines the environmental weed flora of Victoria, its origins, dispersal, risks and management options (doesn't give controls for individual species)

Noxious Weeds of Australia

Parsons, W.T. & Cuthbertson, E.G. (1992), Inkata Press, Melbourne.

Australian Weed Control Handbook

Parsons, J.M. (1995), Inkata Press Melbourne.

Plant diseases and pests**Tree Diseases in Victoria**

Marks, G.C. et al. (1982), Forests Commission Victoria.

Dieback - Death of an Australian Landscape

Heatwole, H. & Lowman, M. (1986), Reed, NSW.

Insect Pests of Eucalypts on Farmland and in Plantations in South-eastern Australia

CSIRO Division of Entomology Identification leaflets.

Bush regeneration and revegetation**Bush Regeneration**

Bradley, J. (1971), The Mosman Parklands and Ashton Park Association. A look at the ecology of various plant communities and how to care for them. Case studies.

Bringing Back the Bush

Bradley, J. (1988), Landsdowne.

Practical guide to removing introduced plants from natural bushland areas.

Bush Regeneration - Recovering Australian Landscapes

Buchanan, R. (1989), Tafe NSW.

Revegetation and Land Management Guidelines-Upper Yarra River

Anon., (1987), Upper Yarra Valley and Dandenong Ranges Authority & MMBW Upper Yarra Region.

Direct Seeding of Trees and Shrubs: A Manual for Australian Conditions

Dalton, G. (1993), Department of Primary Industries, Adelaide.

Nature Conservation: The Role of Remnants in Nature Conservation (and other titles in this series)

Saunders, D.A., Arnold, G., Burbidge, A and Hopkins, A., (Eds), (1987), Surrey Beatty and Sons, Chipping Norton.

Wildlife Corridors and the Conservation of Biodiversity: A Review

Wilson, A.M. and Lindenmeyer, D. (1996), , Centre for Resource and Environmental Studies - The Australian National University, Australian

Nature Conservation Agency and Greening Australia.

Habitat Corridors - their Role in Wildlife Management and Conservation

Bennett, A.F. (1990), , Department of Conservation and Environment, Melbourne.

Living Corridors

Breckwoldt, R. et al. (1990), Greening Australia, Canberra.

Guidelines for Bush Corridors

Hussey, B., Hobbs, R.J. and Saunders, D., (Eds). (1989), Surrey Beatty and Sons, Chipping Norton.

Revegetation Guide for North-eastern Victoria

Stelling, F. (1994), NRE.

Seed Collection of Australian Native Plants

Ralph, M. (1994), A Bushland Horticulture Publication.

Germination of Local Native Plant Seed

Ralph, M. (1994), A Bushland Horticulture Publication.

The Role of Trees in Sustainable Agriculture – Workbook 1 Putting Back the Bush

Oates, N. (ed.) (1995), Greening Aust., RIRDC & LWRDC.

The Role of Trees in Sustainable Agriculture – Workbook 2 Making Farm Trees Pay

Reid, R. (ed.) (1995), Greening Aust., RIRDC & LWRDC.

From Seeds to Leaves, A Complete Guide to Growing Australian Trees & Shrubs from Seed

Stewart, D. & R.E. (1995, Agmedia.

Farm planning

Nature Conservation on Farms

Produced for the Certificate in Landcare.

Enquiries: The Secretary, Continuing Education, CB Alexander Agricultural College, 'Tocal', Patterson, NSW, 2421. 1800 025 520 (freecall) or (02) 4939 8862.

So You Thought Owning a Small Farm or Property was Easy?

Property Management Planning for Small Farms and Properties

Fontana, D. and Williamson, J. (1995), NRE, Melbourne.

Landcare Field Guide: An Introduction to Land Degradation

NRE,

Trees for Rural Australia

Cremer, K.W. et al. (1990) Inkata Press.

Planning for Sustainable Farming, the Potter Farmland Plan Story

Campbell, A. (1991), Lothian Books & Greening Australia.

Property Management Planning Manual, From the Ground Up

Dixon, P. (ed.) (1994), NRE, Dept. of Agriculture & National Landcare Program.

Wetlands

Managing Wetlands on Farms

Brouwer, D. (1995), 'Tocal' Agricultural College, Paterson.

Managing your Wetland: a Practical Guide for Landholders

Oates, N. (1994), NRE

Wildlife and Farm Dams

Hill, D. & Edquist, N. (1983), , Department of Conservation, Forests and Lands, Victoria.

Waterplants in Australia: A Field Guide

Sainty, G.R. & Jacobs, S.W.L. (1994), 3rd edition. CSIRO.

Aquatic Plants of Australia

Ashton, H., (1977), Melbourne University Press.

Explore Melbourne's Wetlands

National Trust of Australia (Victoria) (1991).

Wildlife management

Wildlife in the Home Paddock

Breckwoldt, R. (1983), Angus & Robertson.

An excellent guide for the rural landholder.

River management

Manage your Banks: A Practical Guide to Streamside Management, Fencing and Water Supplies

Nicholas, S. (1996), Produced by the Goulburn Valley Environment Group.

Contains ideas for managing streams, fencing and water distribution and supply including recommendations on pump selection.

Problem wildlife

A Guide to Living with Wildlife: How to Prevent and Control Wildlife Damage in Victoria

Temby, I. (1992), NRE - Victoria.

Threatened species

Rare or Threatened Plants in Victoria

Gullan, P.K., Cheal, D.C. and Walsh, N.G. (1990), Department of Conservation and Environment, Melbourne.

Extinct and Endangered Plants of Australia

Leigh, J. et al. (1984), MacMillan.

Threats to Victorian Native Freshwater Fish, in Victorian Naturalist

Koehn, J. & O'Connor, W.G. (1990), Vol 107.

A Review of the Conservation Status of Native Freshwater Fish in Victoria, in Victorian Naturalist

Koehn, J. & Morison, A.K. (1990), Vol 107.

Australian Endangered Species

Ovington, J.D. (1978). Cassell.

Management of Endangered Plants

Cropper, S. (1993), CSIRO.

Suburban/Gardens**How to Attract Butterflies to your Garden**

Clyne, D. (1996), Kangaroo Press.

The Best of Wildlife in the Suburbs

Clyne, D. (1993), Oxford University Press.

Victorian Urban Wildlife

Wilson, J. (ed.) (1991), Angus & Robertson.

Attracting Wildlife to your Garden

Elliot, R. (1994), Lothian Australian Garden Series.

Attracting Frogs to your Garden

Casey, K. (1996), Kimberley Publications.

Secrets of the Seaside Suburbs. A Guide to the Wildlife of Port Phillip

Eidelson, M. (1995), Vista Publications.

Your Garden Birds

McCulloch, E. (new edition), Hyland House.

Creating a Native Garden for Birds

Hutchinson, F., (1993), Simon & Schuster Aust, NSW.

Videos**Just a Patch of Scrub**

World Wide Fund for Nature, GPO Box 528, Sydney, NSW 2001. 25 min.

Partnerships with Nature

BHP and Landcare Australia. Accompanying booklet.

Managing Linear Reserves

NRE Vic. Roadsides Conservation Committee, (1992).

Other references**A Landholder's Guide to Bushland Assessment**

Anon. (in press Environmental Studies Unit), Charles Sturt University, Panorama Avenue, Bathurst, NSW 2795.

Managing your Bushland

Hussey, B.M.J. and Wallace, K.J. (1993), Department of Conservation and Land Management, Perth.

Bushland on Farms - do you have a Choice?

Davidson, R. and Davidson, S. (1992), AGPS, Canberra.

Wildlife Conservation on Planned Properties: A Guidebook for Queensland Landholders

Dorracott, K. and Roberts, B. (1993), University of Southern Queensland, Brisbane.

The Nestbox Book

Grant, J. (compiled by), (1997), Gould League of Victoria Inc.

Grow your own Wildlife: How to Improve your Local Environment,

Johnson, P. and Don, A. (1990), Greening Australia, Canberra. (Qld).

The Last Stand

Breckwoldt, R. (1986), Australian Government Publishing Service, Canberra.

A testament to the value or retaining native vegetation. Colour photographs. References listed including many on endangered species.

Victoria Felix: Improving Rural Land with Trees

Campbell, R. et al. (1988), Department of Conservation, Forests and Lands & Graduate School of Environmental Science, Monash University.

A guide to establishing trees in rural Victoria with many practical hints on the methods to use and problems to avoid. Wildlife is not dealt with in detail.

Wildlife Watching in Victoria

Wilson, J. (DCE) (1992), Lothian Books.

Historical**Bush Wanderings of a Naturalist,**

Wheelwright, H.W. (1861), Oxford University Press, Melbourne.

A Continent Transformed: Human Impact on the Natural Vegetation of Australia

Kirkpatrick, J.B. (1994), Oxford University Press, Melbourne.

Periodicals**Victorian Naturalist**

Journal of the Field Naturalists Club of Victoria

The Bird Observer/Australian Bird Watcher**Indigenotes**

Newsletter of the Indigenous Flora and Fauna Association.

Conservation News/Habitat

Newsletter/magazine of the Australian Conservation Foundation

Australian Natural History

Colour magazine produced by the Australian Museum.

Wildlife Australia

Colour magazine of the Wildlife Preservation Society of Queensland.
